SUBMISSION OF PRIOR ART

Sir:

The undersigned hereby requests that the prior art cited on the attached form PTO/SB/08a be printed on the bibliographic page of any patent issuing from this application.

The prior art listed on the attached form PTO/SB/08a is prior art which was cited in a Search Report for the International Application which ultimately translated under 35 U.S.C. 371 into this U.S. application.

Accordingly, this prior art should have come to the attention of the Patent and Trademark Office and the examiner by way of the PCT file, and should have already been considered by the examiner. This prior art is being placed on a form PTO/SB/08a so that it will gain publication on the bibliographic page of the U.S. patent.

In the event that the Patent and Trademark Office has not already obtained copies from WIPO, copies of this prior art are enclosed for the examiner's convenience.

Respectfully submitted,
